

Experience a Sacred Mayan Ceremony

Don Alejandro Cirilo Perez Oxlaj "Wandering Wolf"

President of
The Guatemala Council of Mayan Elders
Will honor us with his presence to
Spread his message to the world.

"Let us think of the future and not only for today. We cry out for the children of the earth, for the big ones and small ones, let's not destroy mother earth.

So at this moment I give you thanks from the soil of where I stand.

Heart of the heavens, Heart of the earth, Heart of the air, Heart of the water, Spirit of our Creator, the great architect of the universe, give us peace, give us love, give us understanding. We are all brothers and sisters. We are one. Let's do this, let's carry this voice to the world."

He comes to help fulfill the Maya Prophecy of The Eagle and The Condor
